About Us

02

Hotel Canberra opened its doors with current operators in late 2022. First up was our wine bar Bobbys. Named for our late Dad, Bobby's is all about 100% Victorian booze, celebrating the artisan, the craft, the small batch, alternative varietals and the hard to find. With a stunning list of beautiful and boutique wines, packaged beers, spirits and more, Bobby's is the ultimate hangout for those wanting to share a drink or two in more sophisticated surroundings and have a truly exciting experience with hot snacks and bespoke grazing boards, made exactly with what you want. Open Thursday - Saturday

VestaxJigs is our signature restaurant and again, is driven by an ethos of using 100% Victorian produce in our 6 or 8 course degustation menus. We celebrate those culinary adventurers large and small who grow, make, produce and create in all corners of the state. Vesta was our Mum and she wasn't much of a cook, to be fair. But there was always a seat at our table, no matter how little we had, and that is the kind of hospitality we like to offer. We want to invite you take a seat in our dining room, relax and enjoy the amazing food and drinks we serve. Open Thursday - Saturday

The Stables Cafe & Bar is adjacent to the hotel and offers contemporary cafe menus, again focused on as much Victorian produce as we can find, currently around 90% From Miso makers in Daylesford, mushroom growers in Ballarat, Saffron farmers in central Victoria and makers from Koondrook, Echuca and Sunraysia, we create our menus to satisfy even the toughest of critics. Grab a seat in one of three outdoor dining spaces, enjoy the 120 year old heritage listed stables for an intimate group or book the cafe for your own evening event. Open Tuesday - Sunday

Every event we do is different. From a few friends catching up for Friday drinks, to business breakfast, corporate presentations and of course, the milestone get togethers for family and friends.

We love being a part of your celebration, remembrance or gathering and we will work with you to make it memorable, successful and one of a kind.
